17:30-19:00 Keynote Lecture on the relationship between scholarship and activism (organised by ISS)

The New Hegemony of Illegitimate Authority

Speaker: Susan George

Discussant: Bridget O' Laughlin

About the speaker: Susan George is one of the Transnational Institute's (TNI) most renowned fellows for her long-term and ground-breaking analysis of global issues. Author of fourteen widely translated books, she describes her work in a cogent way that has come to define TNI: "The job of the responsible social scientist is first to uncover these forces [of wealth, power and control], to write about them clearly, without jargon... and finally..to take an advocacy position in favour of the disadvantaged, the underdogs, the victims of injustice."

Chair: Susan Newman
